Dear Steve:

First, let me thank you for Josephine. It was thoughtful of you and I'm grateful to her. Having considered coming out — I'm willing. Even looking forward to it. Consider it a deal. There was one confusion in yr. letter — you said Nov. 24 (Thursday). The 24th is Sunday, not Thanksgiving. I called Margie & she said she was sure it was the 24th — on Sunday — which seems likely. Who would come on Thanksgiving? So will you confirm the 24th & I'll buy a ticket. Sure I'll read something, published or otherwise.

We're both well & Bernice will be coming out with me.

Best — Pete
